

Trade Policy and Globalization

Econ 362

Professor Denise Konan
TR 12:00pm-1:15pm

The Good, the Bad and the Ugly of International Trade Today

- Should we rethink NAFTA? Why is agricultural trade so protected?
- Will a 'buy American' campaign help or hurt us?
- Do we need the World Trade Organization (WTO)?
- Why are so many groups protesting against international trade?
- What about global climate change and environmental issues?

Take this course and learn ...

- The rules governing world trade and how they have changed.
- How disputes in international trade are currently solved.
- The challenges facing the WTO.
- What are TRIPS and GATS and why should you care about them.
- How are issues such as intellectual property, labor standards and environmental concerns related to international trade.

(Prerequisites: ECON 120, 130 or 131)
