Why is the World Trading System So Controversial?
• Why are so many groups engaging in violent protest against the World Trade Organization (WTO)?
• Why do we need rules governing world trade?
• Should the rules also regulate working conditions and environmental issues?

Take this course and learn ...
• The rules governing world trade and how they change.
• How disputes in world trading are solved.
• The challenges facing the WTO and prospects for a new WTO agreement.

Course Requirements:
• Mid-term exams
• Classroom discussion / presentation
• Group project and final paper on “suggested reforms of WTO”
